BOY HAS THROAT CUT ON WIRE FENCE

Seven Stitches Are Taken. News Notes From Moron Colonies.

Colonias Dublan, Mex., Feb. 4.—In Colonias Dublan a crowd of little boys were watching the branding of some cattle, when one of them playfully grabbed little La Vir, son of Amey Wilson, by the foot and threw him down to brand him. As he fell, he was caught on the barb of a wire fence and his throat was cut dreadfully. He was taken immediately to Casas Grandes where Dr. Roberts took seven stitches in the wound.

In Colonias Morelos the M. I. A. gave a measuring party, and the boys paid for their dance tickets according to the height of their partners. The women were measured and their partners paid for their company at so much per inch.

Colonias Morelos has also indulged in a cantata of which they are very proud. Now they are preparing the

drama, "Toney, the Convict." Dyle Lillywhite, of Colonias Morelos, has commenced school in the academy. He expects to remain until it closes.

The Stake Relief society is preparing a nice program for the resigned stake officers to be held in Colonias Juarez the 26th of February. There will most probably be representatives from all the colonies.

Edgerton Lunt, who is employed by Dr. Bryant, of the Sierra Madre railroad, came in from Madera last evening. He says the construction of the railroad is going on nicely from that end of the track, but that it is going on more rapidly from the Terrazas end.

Mrs. Irene Allred has left Colonias Juarez and returned to her home in Guadalupe. She is a nurse.

Mrs. Mary Allred, who has been severely afflicted with the headache for several weeks, is better again.

A great deal of wheat has been sown in the Guadalupe fields this winter, more than ever before.

Miss Artie Stout, of Guadalupe, who has been suffering with sore eyes for some time, is able to be out without a bandage now.

George F. Seese, of Colonias Chulchupa, feels very much encouraged

over their oat crop last year, and he has procured some very fine oats of different species this year and proposes to put in 100 acres of oats himself.

Roswell, N. M., Feb. 4.—The cash balance on hand in the Roswell city treasury at this time is \$10,989.68.

The city council has been asked to pass an ordinance prohibiting skating on the sidewalks.

The police judge reports 28 arrests and \$31 collected in fines in January.

Many people of Roswell declare that the charge of embezzlement against postmaster Killatin, was due solely to his method of keeping his accounts, and mixing private and official funds at the bank.

PORFIRIO DIAZ HELD AS VAGRANT

Only Has Four Coppers With Which to Pay for His Meals.

Porfirio Diaz was fined \$5 in police court this morning on a charge of vagrancy. It was not the rule of the court to release him, but an old time El Paso resident, who for 40 odd years has borne the same name as the Mexican president.

Porfirio Diaz was hungry so he went to the home of Mrs. J. T. Sullivan, on South Kansas street, and asked for food. He got it and returned several times with the result that he is now in jail and Mrs. Sullivan will furnish his meals, but the city will pay for them.

When arrested Thursday, Diaz told policeman Finley that he intended to pay Mrs. Sullivan for what she gave him and when asked if he had any money exhibited four coppers. He does not claim kinship to president Porfirio Diaz of Chapultepec castle.

GILL CASE TO BE TRIED MONDAY

Effort Made to Secure Pardon for 16-year-old Boy Court News.

There will be no cases tried in the 34th district court until Monday, when J. W. Gill, charged with robbing Samuel Van Rooyen, will probably go to trial for the second time.

Fernando Garcia was given a preliminary hearing before Justice E. H. Watson this morning on the charge of assault to murder upon the person of Timoteo Ybarra, a flagman for the G. H. for the past 14 years. He was bound over to the grand jury in the sum of \$500. The assault is alleged to have taken place Jan. 12, on South Oregon street between Overland and Second streets, when Ybarra was held up and beaten.

Kelph White, who pleaded guilty to a charge of burglarizing the Askin & Marine clothing store, may not have to serve out his two year sentence in the penitentiary. An application for a pardon for the boy, who is but 16 years old, has been forwarded to the governor.

All Praise Very Highly

That Well Known Woman's Tonic, Cardui, So Says Mrs. Bryner, of Cameron, Ill.

Cameron, Ill.—"All my lady friends," writes Mrs. A. Bryner, of Cameron, "whom I have induced to take Cardui, praise it very highly."

"About five years ago, I was all run down. I had been afflicted with female trouble for several years."

"The doctor told me I would have to have an operation, but I began to take Cardui and before I had taken half a bottle, I felt like a different woman."

"I am only too glad to give you the privilege of printing my testimony, if it will induce any suffering woman to try your wonderful medicine."

In cases of serious sickness, dragging on for months or years, it is certainly important that the patient should get the medicine most likely to do her good.

How can you tell?

By reading the record of its success, in cases similar to yours.

Has any medicine an equal record to Cardui in the length of time it has been used by the people and in the relief it has brought to thousands of suffering women?

No; not once.

Try Cardui, then, for your troubles, for it will surely help you.

Your druggist will recommend it; if you ask him.
